

This topographic map shows the Gimmeldingen area, including the towns of Gimmeldingen, Königsbach, and Müsbach. A red line indicates a proposed route, starting from the bottom left, passing through Gimmeldingen, and heading towards the right. Purple lines outline specific regions or boundaries. The map includes various geographical features such as hills (Königsberg, Erlenberg, Plattenberg), rivers (Müsbach, Speyerbach, Schleifgraben), and a lake (Narrenberg). Infrastructure like roads (L516, L532, L519, L530), a railway line, and a bus station (AS Neustadt/W.-Nord) are also visible. The map is labeled with numerous place names and elevation points.
